### THROW PHYSIC TO THE DOCS

Electro-Magnetic Influence and its Effects on the Human

As the world advances in age and the people become more enlightened, the old schools of medicine gradually give way to modern ecience. The God-given powers of electricity and magnetism supplant the drastic drugs of the pharmacoperia. The "nestrums infernal" are only kept for human gargoyles. Among the most prominent professors of the new curative age are Drs. Darrin. Wondrous to retate, they are especially successful in curing all pervous, chronic and private diseases, such as Loss of Manhood, Blood Taints, Syphilis, Gleet, Generrheea, Stricture, Spermaterrheea, Seminal Weakness, or loss of desire of sexual power in man or woman: all peculiar Female Troubles, Leucorrhosa, Displacement, etc., with little or no medicine. The certificates of cures made by these celebrated physicians would fill a volume. They embrace every disease to which humanity is exposed. The remedies are painless, almost pleasant and infallible. Drs. Darrin are entitled to great credit for their most miraculous discoveries in the art of electro-magnetic healing. There is no curable known malady that they cannot conquer, and they will under no circumstances take a case that they cannot cure or benefit.

The following open card of a well-known Grand Rapids citizen speaks louder than anything that we can say: GRAND RAPIDS, Mich., July 28, 1803.-To the public: This is to certify that I have been under Drs. Darrin Electro-Magnetic Treatment for rheumatism, general nervous debility and "spitting up" with a bad cough, and could not sleep nights. I had been treated by many of the so-called leading physicians of this city and elsewhere and never received any benefit, and my money was as much as thrown away. I commenced treatment with Dr. Darrin about a week ago, and now all my troubles are leaving

me. I can sleep well nights without coughing, and the rheumatism has disappeared and I am getting stronger and more vigorous after each treatment, and I now know that I will soon be entirely well. I can be seen and referred to any time at my residence, 161 Sherman street, Grand Rapids, Mich. JOHN F. BRADFORD.

Drs. Darrin's offices at 22 Jefferson avenue, Grand Rapids, are besieged with the lame, balt, deaf and blind from 10 a. m. to 8 p. m. They give free examinations and charge about half the ordinary fees of other physicians. The worthy poor are treated free from 10 to 11 a. m. daily, according to their timehonored custom.

Drs. Darrin have a system of home treatment for those unable to visit their offices, and will send to any address their Electro-Magnetic Remedies on receipt of \$5, and full symptoms of the disease. One visit to the office is de sired, but it is not necessary in all cases. Inquiries by mail promptly an-
